Local Purple Heart City Designations: Burlington & West Burlington

VETERANS SERVICES & SUPPORTS

The cities of Burlington and West Burlington each recently received their Purple Heart City designation. This designation shows a commitment to fostering an environment of goodwill among the combat-wounded veteran members and their families, promoting patriotism, supporting legislative initiatives, and making sure we never forget.

The Self Reliance Group is progressing this culture through the development of local social supports, technology access and use supports, and transportation supports.
