Get Involved

Call to Action: As The Group continues developing & implementing its 2024 priority actions, it is simultaneously working to build local support. Come join the team either as a volunteer or contact the CEO to discuss healthcare skilled contract opportunities.

SNOWBULL (3/7/24)

Fundraising for local Veterans' Services & Supports

February was jam-packed with fundraising action as The Group teamed up with Titan Broadcasting & SnowBull. Did you hear The Group on the radio? Join us **Thursday night** to receive the funds that will kick-start veteran's tech support! The Group is seeking **tech savvy volunteers to help lead monthly support classes.** Reach out if you are interested!

**VOLUNTEERS
NEEDED**

HYGIENE & WELLBEING

Identifying local Healthcare Professionals for Program Participation

Are you a local mental health therapist, occupational therapist, or bath aide? Are you looking for a rewarding opportunity to facilitate improved personal hygiene outcomes for individuals in our community with mental health diagnoses and/or intellectual disabilities? If so, please reach out to discuss program details.*

*Open to qualified health professional volunteer & contract service inquiries.**
