

5 Things **Volunteers** Should Know About

Veterans Tech Support

1) Monthly 1 hour commitment;
Late Spring/Early Summer Start

2) Computers, iPads, &
Internet Access Provided

3) 15-20 Minute Lesson Followed
by Questions

4) General Tech/Drop-in
Assistance Available On-Site

5) Simple Lessons; Small Time
Commitment; CEO on-site

This is a low commitment, high value, people-centered volunteering opportunity. Volunteers must have basic technology literacy skills, an understanding of different internet browsers and software applications, and the ability to lead and/or assist elderly veterans through simple tech support classes. The curriculum is pre-established, and the CEO will be on-site for general support. This volunteering opportunity is revolving and silver cord eligible.
